

Expert biography

Jenny Rolfe

Consultant Occupational Therapist

Jenny qualified in 1997 and completed her MSc in Neuro-rehabilitation in 2007. From August 2009 Jenny has been funded full time by the MND Association to develop NHS wheelchair services across the UK to help improve wheelchair provision for people living with MND.

Jenny has presented work at the International Alliance of MND Associations Allied Health Professionals Symposium and published articles in British Journal of Occupational Therapy, and Posture Mobility Group Journal.
